Prabesh Shah

Graduate Web Developer

PERSONAL SUMMARY

A bright, talented, ambitious and self-motivated web developer with a strong technical background who possesses self-discipline and the ability to work with the minimum of supervision. Able to play a key role throughout a site's development to ensure maximum accessibility, customer experience and usability. A good team player, who thrives on creating engaging creative solutions, is deadline orientated and has the ability to produce detailed technical specifications from client requirements. A quick learner who can absorb new ideas and can communicate clearly and effectively. Currently looking for an opportunity to join a dynamic, ambitious, growing company and forge a career as a first class website developer.
